Itinerary

DAY 1: Amazon Ecopark Lodge - Arrival

On arrival into Manaus you will be met and transferred from Manaus airport to the Amazon Ecopark Lodge, a 30 minute boat ride away, on the banks of the Rio Taruma. After settling in to your comfortable room, we visit the Monkey Jungle Reserve and marvel at the many different species of very playful and friendly monkeys. The Monkey Jungle is a centre for the rehabilitation of primates that were rescued from illegal traders or from areas of Brazil that have been flooded or burned. Many of the monkeys are orphans. On arrival the animals receive any necessary veterinary treatment and time to acclimatize to their new home, before being released into the wild. Species of monkeys at the Monkey Jungle include the Spider monkey, Woolly monkey, Squirrel monkey and Capuchin monkey. Later in the evening, a delicious dinner will be followed by a trip by canoe to spot alligators.
