✖ Introduction

Tierra Patagonia Hotel & Spa sits on a bluff where the South American pampa meets Lake Sarmiento. The building is immersed in the landscape and emerges from the hillside. The award winning architecture complements the flow of the geology in this privileged location and showcases the magnificent views of the Torres del Paine National Park, declared a UNESCO Biosphere Reserve in 1978.

Inside, wood clad walls emanate warmth, safety and protection â a cozy hideaway after a day spent discovering the amazing Patagonian outdoors. The essence of the interior decoration mirrors the design of our sister hotel, Tierra Atacama and here, as there, furnishings and textiles were hand made by Chilean craftspeople, using natural materials from the region, high quality workmanship and inspiration from the surrounding estancias as well as the influence of the native Tehuelche people. The ambience of Tierra Patagonia is casual and friendly, the different spaces created by the designers mean that guests can mingle and get to know one another or find a quiet corner to relax and get away from it all.

Highlights Include:

Scenic Voyages: Witness as much of Patagonia as possible on these incredible voyages. Sail through the ice floes of the Grey Glacier or enjoy the remoteness of the mostly unexplored Sierra Baguales Valley.

Horse Riding: Whether beginner or expert, ride out to the beauty of untamed Patagonia on these incredible native horses. Meet authentic Baqueanos - Patagonian Cowboys - Discover panoramic views of mountain vistas and scenic lakes.

Special Interest: Whether its bird watching in Torres del Paine , witnessing the remnants of Aonikenk culture through cave paintings or enjoying fishing options or studying geological rock formations at Lake Sarmiento. These unique experiences truly reflect the tailored adventures and focus on personal interest that awaits you at Tierra.

The Tierra Experience

Bold and inviting architecture built with locally â sourced materials are a reflection of the surrounding landscapes.
