Departure

### Introduction

**This one-of-a-kind itinerary allows you to experience the best of the Amazon in style while minimizing your ecological footprint.**

Lying deep within the Peruvian rainforest, Refugio Amazonas is a pocket of luxury in this vast wilderness. Nature-lovers are invited to step into a world of jungle activities and get involved in the Citizen Science program, Wired Amazon. Secluded, intimate and luxurious, Refugio Amazonas is a 32-bedroom jungle lodge set within a 200-hectare private reserve within the buffer zone of the Tambopata National Reserve. Approximately two hours from Puerto Maldonado airport in the southeast of Peru, the lodge offers a huge variety of child-friendly adventures (a family program is available) with a focus on conservation and science so is the perfect retreat for travellers of all ages.

### Highlights include:

**Clay licks** - Take a boat trip to the Chuncho Clay Lick inside the Tambopata National Reserve to see macaws descend to the clay lick on clear mornings.

**Canopy tower** - A 30-metre scaffolding canopy tower gives you spectacular views of the vast expanses of standing forest with a good chance of spotting toucans, parrots, macaws or mixed species canopy flocks.

**Life in the rainforest** - Visit a working jungle farm and a real Brazil nut concession to learn about the way of life in the rainforest. You will taste exotic tropical fruits and discover medicinal plants from the neighbouring local families that we are helping integrate into the ecotourism industry.

**On this all-encompassing personalised itinerary, Chimu will provide travel logistics for your travel party for the duration of your journey, plus expert guides for all the major sightseeing as per itinerary. Each night you will stay in superior accommodation, handpicked by our experienced team for their creature comforts, convenient locations, and impeccable service.**

**GREEN POINTS!**

Peru, Amazon

1. In partnership with the locals 75% of the profits from this amazing lodge goes directly to the local community.
2. Citizen Science projects offer travellers the opportunity to help the Refugio identify and protect new species.
3. Refugio Amazonas runs one of the most important scientific projects to save the Macaw population; a study that is hoped to assist populations all over Latin America.

Itinerary

## Peru - Peru Amazon Extension | Refugio Amazonas

Trip Code

PETSRO4

Departure

Day 1: Arrival to Refugio Amazonas

Duration

4 Days

To begin your rainforest adventure, you will

take a quick flight from Lima or Cuzco to

the Amazonian city of Puerto Maldonado, in

Southeastern Peru. Upon arrival at Puerto

Maldonado Airport, a Refugio Amazonas

representative will greet you and

accompany you on the journey to the lodge.

You will be taken on a one-hour road trip,

followed by a tranquil 1-hour boat trip on

the Tambopata River, to arrive at Refugio

Amazonas. During the trip, there will be a

stop at the local office where you can

repack your luggage, bringing only

necessary items for the next four days.

\*Guests are allowed to bring only one carry-

on of a maximum of 15kg per person; all

other luggage must be left in storage at the

office. Upon reaching the lodge, you will be

warmly welcomed and given a brief

orientation. After dinner, you have the

option to participate in a night walk, where

you can observe the animals that are active

during the evening, but often difficult to

spot. The nocturnal frogs, with their

captivating shapes and colors, as well as

interesting sounds, can be seen more easily.

Please note: The Peruvian Amazon is a very

remote region. Cruise and lodge operators

design transfer schedules to align with

specific incoming and departing flights to

maximise their operations. Frequent flight

schedule changes can also complicate

matters. We strongly advise consulting with

your booking agent prior to confirming your

flights to avoid any potential long delays

and/or missed connections. \*Refugio

Amazonas offers a variety of on-site

activities and excursions that can be

customized. The itinerary presented below

is provided as an example and may be

subject to changes depending on weather,

availability, or your personal preferences.

Departure

Day 2: Amazon Exploration

Duration

After breakfast, you'll have the opportunity

to explore the Condorado lake's wildlife

from a canoe or catamaran, where you can

spot exotic creatures like hoatzin, caiman, horned screamers, macaws, and rare otters.

Later, you'll embark on a thirty-minute walk from the lodge to a 25-meter canopy tower

with a staircase, offering stunning views of toucans, macaws, and raptors from the

treetops. After lunch, you'll visit a local farm to learn about Amazonian crops and local

agriculture. An ethnobotanical tour will follow, where you'll gain insights into the

medicinal practices of the region. In the evening, Refugio staff will offer engaging

lectures that cover conservation challenges, opportunities, and projects in the

Tambopata National Reserve.

### DAY 3: Amazon Exploration

Experience the magnificent spectacle of a clay lick, where you'll witness vibrant-colored macaws, parrots, and parakeets feast on clay. Species such as dusky-headed and cobalt-winged parakeets are frequently

seen, and with some luck, you may also spot blue-headed pionus, various species of macaws and parrots. After lunch, you'll

embark on a brief hike from the lodge to a stunning Brazil nut forest, which has been

sustainably harvested for decades. Here, you'll learn about the entire process of

collecting, transporting, and drying one of the rainforest's only sustainable product. In

the afternoon, the medicinal plants' trail will take you on a journey to explore the vast

array of plants and trees that the local population has used for centuries to heal

their bodies and minds. You may recognize some of the names, such as Sacha-Ajos, Uña

De Gato, Sacha-Charcot, Para-Para,

Ayahuasca, among others.

Departure

Day 4: Depart Refugio Amazonas

Duration

After breakfast, you will embark on a two-hour journey back to Puerto Maldonado for your departure flight. The trip includes a 1-hour boat ride followed by a 1-hour road transfer to Puerto Maldonado. This provides a final opportunity to immerse yourself in the breathtaking natural scenery of the Tambopata National Reserve, offering a chance to spot a variety of wildlife along the way. Please note: The Peruvian Amazon is a very remote region. Cruise and lodge operators design transfer schedules to align with specific incoming and departing flights to maximise their operations. Frequent flight schedule changes can also complicate matters. We strongly advise consulting with your booking agent prior to confirming your flights to avoid any potential long delays and/or missed connections.
