Depart Iquitos & Embark in Nauta

Duration

4 Days
Upon your arrival at the airport, we will be

waiting for you to start the adventure. We

visit the Amazon, South America, a colorful,

dynamic city with a captivating past. In this

tour you will be able to appreciate the most

emblematic attractions of the city. Then, we

will transfer by private vehicle to the city of

Nauta, the historic river port where we will

embark. Upon arrival in Nauta (about two

hours from Iquitos), we will board La Perla

and our staff will accompany you to your

cabin. All cabins are specially equipped for

you to enjoy the most comfortable stay. The

ship will start sailing down the Marañón

River, as the naturalist guides present the

trip plan, the routes to follow and the

scheduled activities, and the best thing:

they will begin to introduce us to the

wonderful world of Amazon wildlife. Pay

attention to their advice and

recommendations, and keep in mind that if

you have any doubts or questions, our

guides will always be more than happy to

assist. After this presentation, enjoy a

welcome lunch, your first experience with

the delights of regional cuisine. The menu

offers several options, including a

vegetarian alternative. If you have any

particular requirement, please let our crew

members know in advance, so that we can

attend to it in a timely manner. Before

dinner, we will start a night boat excursion

to the Nauta Caño area, in search of

animals that can only be seen when the sun

goes down: alligators, bats, frogs, tarantulas

and other species that inhabit the Amazon

basin. After this first immersion in the

jungle world, we will return to the ship and

enjoy dinner and then you can rest and

recover energies for the next day. Please

note: The Peruvian Amazon is a very remote

region. Cruise and lodge operators design

transfer schedules to align with specific

incoming and departing flights to maximise

their operations. Frequent flight schedule

changes can also complicate matters. We

strongly advise consulting with your

booking agent prior to confirming your

flights to avoid any potential long delays

and/or missed connections.
