### Introduction

This incredible 9-day Patagonian adventure is the perfect post-expedition addition to an Antarctic cruise. Starting in El Calafate, from which you can fly directly from Ushuaia following your Antarctic voyage disembarkation (flight not included). This styled itinerary will have you staying in superior handpicked hotels and will showcase the natural beauty of Southern Patagonia and finish in Santiago, your connection point home or on to other South American destinations.

This package starts in the world epicentre of natural beauty â Patagonia. A unique and unrepeatable landscape where mountain glaciations, rivers and lakes, waterfalls, native forests, snowdrifts, fjords, archipelagos, ice fields, and Magellanic steppes make up a wild nature that awes and inspires. Stay in a Patagonian Lodge, a world-class refuge that includes daily excursions in the company of a bilingual guide. Choose from a horseback ride guided by a traditional *gaucho* through the Patagonian landscape, hikes in the Ventisquero Valley and to archaeological monuments, a field day to a typical Patagonian Estancia to enjoy an authentic lamb roast, mountain biking to the shore of Balmaceda Lake or a hike through Torres del Paine National Park and to the incredible Las Torres peaks. Finish with a flight to Santiago and a tour of Chile's capital, before flying home or on to your next Latin American adventure!
