Departure

Introduction

Concentrating on the biggest island in the Svalbard Archipelago, we sail over breathtaking fjords encircled by angular mountains that pierce the sky, and we cut through pack ice in search of walrus and bearded seals. Watch out for the majestic polar bears stalking prey on the ice, and the guillemots building their nests high on cliffs to protect themselves from arctic foxes' ravenous teeth. Take strolls through tundra that is decked with flowers and discover historic explorers' and hunters' camps.

DAY 3 - Spitsbergen - Days 3 to 7

Duration

6 Days

The island of Spitsbergen is the largest in the Svalbard Archipelago and offers Arctic wilderness at its best. The members of our

experienced Expedition Team, who have made countless journeys to this area, will use their expertise to tailor our day-to-day itinerary, choosing the best options, based on the prevailing weather, sea-ice conditions and the possibility of encounters with wildlife. Phenomenal fjords, magnificent mountains ranges, and a polar desert rich in fossils, set the stage for heroic tales of early exploration. See walrus hauled-out on sea ice or on beaches. On land, we stretch our legs on walks across tundra carpeted in brightly coloured wildflowers. We visit towering cliffs noisy with nesting guillemots and puffins, and scree slopes that hold Svalbard's largest little auk colonies. Most memorable will be encounters with the majestic polar bear on pack ice. Your Expedition Team is just as keen as you are to find them - they will be on constant watch to spot these inspiring creatures. If you have chosen an optional activity such as kayaking, you will have an opportunity to enjoy that activity when conditions allow. For those who are enthusiastic to participate in a polar plunge, as soon as conditions are suitable, you will hear the announcement to prepare for an exhilarating dip - a memory you will savour for years to come.

DAY 8: Disembark in Longyearbyen

During the early morning we cruise back into Longyearbyen. Farewell your Expedition Team upon disembarkation and enjoy some free time before transferring to the airport for your return charter flight to Oslo to continue your journey. Please note: Cruise itinerary is subject to change depending on weather conditions, ice conditions and other factors.
