## Introduction

Savour the splendour of Svalbard, a land of nearly perpetual daylight where encounters with polar bears will make your heart race, guillemot calls resound from sheer rock faces, and beluga whales breach the surface of the ocean. Discover arctic fox dens, wander across wildflower-adorned tundra, and visit old explorer and hunter camps. Savour the breathtakingly gorgeous fjords and search for bearded seals and walrus over pack ice.

This morning, please ensure your cabin

lockers are fitted with cabin tags clearly

marked with your name and cabin number.

**Svalbard**

Enjoy breakfast at the hotel before

transferring to the airport for our charter

flight to Longyearbyen for embarkation. Any

valuables or personal items should be kept

on you throughout the day. In

Longyearbyen, explore the town on a guided

excursion tour. On the drive to Camp

Barentz, located in Advent Valley, your

guide will give you an introduction to

Longyearbyen's fascinating history. Once at

Camp Barentz we enjoy a presentation in

the large 'lavvo' - a traditional building

common in northern Norway. You will also

have the opportunity to meet the friendly

huskies and perhaps pick up some

souvenirs. A visit to the Svalbard Museum is

included back in town before embarking the

vessel in the late afternoon. After the tour,

you will be transferred directly to the pier to

embark in the late afternoon. Settle into

your cabin before attending important

safety briefings and enjoy the thrill of

departure as we 'throw the lines' and set

sail. Note: the excursion is contingent on

the arrival time of our charter flight to

Longyearbyen.

Departure

17/06/2026 to 23/07/2026

Duration

12 Days

Svalbard offers Arctic wilderness at its best.

The members of our experienced Expedition

Team, who have made countless journeys to

this area, will use their expertise to tailor

our day-to-day itinerary, choosing the best

options, based on the prevailing weather,

sea-ice conditions and the possibility of

encounters with wildlife. Phenomenal fjords,

magnificent mountains ranges, and a polar

desert rich in fossils, set the stage for heroic

tales of early exploration. See walrus

hauled-out on sea ice or on beaches. On

land, we stretch our legs on walks across

tundra carpeted in brightly coloured

wildflowers. We visit towering cliffs noisy

with nesting guillemots and puffins, and

scree slopes that hold Svalbard's largest

little auk colonies. Most memorable will be

encounters with the majestic polar bear on

pack ice. Your Expedition Team is just as

keen as you are to find them - they will be

on constant watch to spot these inspiring

creatures. If you have chosen an optional

activity such as kayaking, you will have an

opportunity to enjoy that activity when

conditions allow. For those who are

enthusiastic to participate in a polar plunge,

as soon as conditions are suitable, you will

hear the announcement to prepare for an

exhilarating dip - a memory you will savour

for years to come.

### DAY 12: Disembark in Longyearbyen

During the early morning we cruise back into Longyearbyen. Farewell your

Expedition Team upon disembarkation and enjoy some free time before transferring to

the airport for our charter flight back to Oslo. Note: We do not recommend booking

flights that depart prior to 12.00 pm on the day of disembarkation, as we may

experience delays at the conclusion of the voyage. Cruise itinerary is subject to change

depending on weather conditions, ice conditions and other factors.
