Introduction

You will experience amazing Arctic wilderness on this spectacular voyage that you would never have imagined possible, and you will have all the adrenaline of an epic Arctic cruise in just seven days. Despite the mountains and glaciers covering this stony island, a vibrant and varied ecosystem may be found in the fjords and high cliffs. By covering as much ground as you can, you will have the best chance of seeing the walrus, with its long tusks and characteristic whiskers, the hardy and majestic Arctic birds, and the polar bear, the most recognisable of all the animals in the region.

Itinerary

DAY 1: Arrive in Helsinki, Finland

Arrive in the Finnish capital and make your way to the group hotel located right at Helsinki airport. (The hotel is included in your Charter Flight & Hotel Package.) You will have the rest of the day to explore explore the many museums, galleries and restaurants, relax at a Finnish sauna or wander the vibrant Design District. If you do plan to visit Helsinki city center, take advantage of the convenient, 40-minute rail service from the airport.

Svalbard

Spitsbergen, your expedition will afford

ample opportunities to view immense

glaciers, deep fjords, soaring mountains and

unique flora and fauna. Sailing north into

Krossfjorden, have your camera handy,

ready to capture some of the best glacier

calving in Spitsbergen. Deep in the fjord,

the highly active Lilliehöök Glacier awaits.

Listen in awe to the growling as big chunks

break off into the icy waters below. A

Zodiac excursion to nearby Ny-London, an

abandoned mining settlement, provides an

ideal place for a guided walk. Sightings of

wildlife, such as the endemic Svalbard

reindeer, might be possible here. After

cruising overnight, wake up to the stunning

sight of the magnificent Monaco Glacier,

another prolific iceberg producing glacier.

To make this even more thrilling, help your

Expedition Team to scan the shorelines and

ice edge for marine mammals. Possible

landing sites include Texas Bar,

Worsleyneset and Alicehamna. At

Smeerenburg you can see the remains of an

abandoned settlement that was established

by Dutch whalers nearly 400 years ago.

Here, at what was once one of Europe's

most northerly outposts, you'll have time to

explore ashore and learn about

Spitsbergen's whaling history. Afterwards,

cruising to Magdalenefjorden rewards you

with panoramic vistas of snow-capped

mountains and massive glaciers reflected in

the crystal-clear waters. We hope to round

out the day in Alkhornet, taking in the

towering cliffs teeming with nesting

seabirds, such as fulmars and Brünnich's

guillemots (thick-billed murre). Sightings

of reindeer are possible here too. Later, in

the evening, swap stories with your

shipmates and crew one last time, at the

captain's farewell dinner.
