Tasiilaq is East Greenland's largest settlement, sitting on rugged Ammassalik Island. Isolated from European contact until

its founding as a trading post in 1894, it

preserves the unique culture of the

Tunumiit people. Once home to Greenland's

last shamans, Tasiilaq is the origin of the

celebrated art form. Visitors can meet sled

dogs (with owners' permission), experience

drum dancing, hike tundra meadows, and

visit the famous Stunk Artist's Workshop.

untouched since it was abandoned in 1947.

DAY 5 - Sermitik, East Greenland

Duration

12 Days

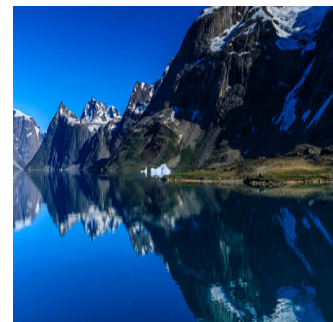

Our next stop is the breathtaking Sermitik fjord - a vast ice-choked fjord which frames the colossal Helheim Glacier.

Armadas of vast icebergs drift from the Greenland Ice Sheet out into the North Atlantic, creating one of the most spectacular natural sights on Earth. Join your Expedition Team on a Zodiac cruise and marvel at the gigantic icebergs, natural ice sculptures tens of thousands of years in the making!

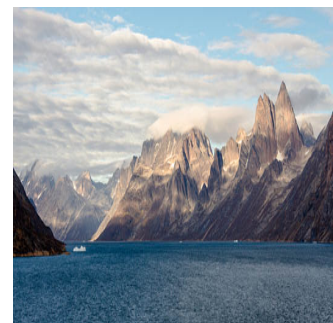

### DAY 6: Skjoldungen, Southeast Greenland

Today, we explore Skjoldungen, a stunning fjord on Greenland's southeast coast, known to locals as Saqqisikuik. Once visited by Inuit and briefly settled in the 20th century, it is now remote and uninhabited. Surrounded by breathtaking peaks, highlights include Thryms Glacier and the valley of Dronning Marie Dal. Weather permitting, we may land to explore or cruise by the glacier.

### DAY 7: Prins Christian Sund and Aappilattoq

In the morning, we sail through spectacular Prins Christian Sund, a 60 km iceberg-filled strait linking East and West Greenland. Surrounded by mountains, glaciers, and valleys, it's one of the world's most spectacular waterways. By afternoon, we reach Aappilattoq, a small, remote village beneath granite cliffs, known for its traditional lifestyle, scenic hiking, and famous local choir.

Next, we cruise through Tunulliarfik Fjord

to Qassiarfik, a lush village known for

sheep farming and its rich Norse history.

Founded in 1924, the modern village sits on

the site of Erik the Red's 10th-century farm,

Brattahlíð. Legend has it that his wife

Thjodhild refused to join her pagan

husband's bed until he built her a church -

the first in the Americas. In the afternoon,

we hike from nearby Itilleq to Igaliku and

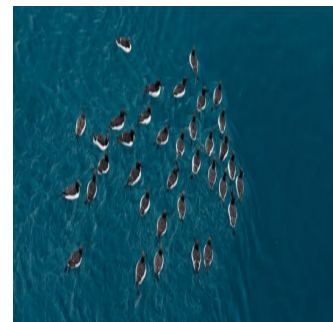

the ruins of Garðar, the seat of Norse

Greenlandic power.

DAY 9: At sea, en route to Nuuk

From South Greenland, we sail north along the rugged coast. Nearly all of Greenland's settlements lie on the western coast, facing the Davis Strait. Warm Atlantic currents enrich these waters, attracting whales, seals, human hunters, and many seabirds so keep an eye out during our day at sea!

DAY 10: Nuuk, capital of Greenland

Home to 20,000 residents, Nuuk, Greenland's capital, offers culture, history, and stunning natural beauty. Inhabited since 2200 B.C. by Paleo-Inuit and later by Norse settlers, Nuuk is now Greenland's cultural and political center, featuring the Parliament, National Museum (home of the Qilakitsoq mummies), Katuaq cultural center, local art shops, and cozy cafés. Affectionately known as "Nuuk York" by locals, it stands as a singular blend of the ancient and the contemporary.

On the final full day of our voyage, we arrive

local crafts, food, and performance. In the

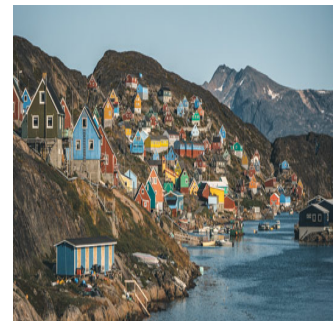

afternoon, we venture into Evighedsfjorden

known as "The Eternity Fjord" by Zodiac,

cruising past majestic glaciers and dramatic

bird cliffs, a thrilling and unforgettable

finale to our Arctic voyage.

### DAY 12: Kangerlussuaq, Disembarkation

As our journey concludes, we sail up the

160 km Kangerlussuaq Fjord and disembark

by Zodiac. Though Kangerlussuaq is more

known for its Cold War-era military roots

and role as a transport hub than cultural

heritage, its surrounding wilderness offers

striking natural beauty - the perfect place

to end our thrilling expedition. \*Please note:
