Refer to as the 'Paris of South America',
Buenos Aires is considered as one of the
most livable cities in South America.

Although the bustling capital city has just
under 3,000,000 inhabitants and a
population density of 13,680 inhabitants per
square kilometer (34,800 per square mile),
it was rated in 2018 as one of the top cities
on the continent for its 'quality of life'.

Twinned with world cities such as Moscow
and Miami, Buenos Aires displays through
its architecture, a cultural past rooted in
both the Old and New Worlds. A vibrancy
for life can be seen everywhere. Crowded
public markets, street performers dancing
the tango, colorful graffiti-style street art,
ultra-modern buildings, a dramatic skyline
and a bustling port. Culturally, Buenos Aires
has the busiest live theatre industry on
Earth, outperforming New York, London
and Paris. Every weekend, over 300
theatres are active with plays and
productions. *Please note: Cruise itinerary
is subject to change depending on weather
conditions, ice conditions and other factors.

DAY 2: Fly to Ushuaia & Embarkation

Start your day by flying from Buenos Aires
to Ushuaia. Upon landing, our team will be
ready to pick you up at the airport and
ensure a seamless transfer to the ship for
embarkation. Once deemed too harsh for
European settlement, Ushuaia's rugged
beauty was the realm of its native
inhabitants - the Yahgan People. Today, it
holds the distinctive title of being the
southernmost city on Earth, often referred
to as 'the end of the world.' Situated along
the banks of the Beagle Channel, Ushuaia
unveils itself like an artist's masterpiece. A
mosaic of vibrant houses adds a splash of
color against the dramatic backdrop of
snow-capped mountains. Dominating this
breathtaking panorama is Monte Olivia, its
jagged peaks soaring 4,530 feet above the
landscape.
