

Antarctica - Antarctic Women's Expedition: Fly the Drake | Sylvia Earle

Trip Code
ACAEAWEX
Departure

Introduction

Join an Antarctic expedition with like-minded women on the *Sylvia Earle*, a small-ship named in honor of the esteemed conservationist Dr. Sylvia Earle. The ship's decks celebrate six trailblazing women in conservation and their significant contributions. This unique journey, crafted and led by women for women, offers new experiences, challenges, and the chance to forge new friendships. As you soar over the challenging Drake Passage, where the Pacific and Atlantic oceans meet, you'll feel a thrill spotting your first icebergs in the Southern Ocean. Your adventure begins as your vessel awaits, ready to set sail amidst stunning sunsets and breathtaking landscapes. Late summer is perfect for visiting Antarctica, with abundant wildlife, melting ice, and favorable weather.

Itinerary

Antarctica - Antarctic Women's Expedition: Fly the Drake | Sylvia Earle

Trip Code

ACAEAWEX

Departure

23/02/2027 Peninsula - Day 3 to 8

Duration

6 Days
 It is impossible to describe the feeling of arriving in Antarctica. Spotting your first iceberg and taking a deep breath of some of the most fresh, crisp air on earth is an experience that will stay with you.

Locations
 Antarctica - Antarctic Peninsula

The Antarctic Peninsula and the South Shetland Islands are ours to explore, and we have a host of choices available to us.

Because we are so far south, we will experience approximately 18-24 hours of daylight and the days can be as busy as you wish. Your experienced expedition team, who have made countless journeys to this area, will use their expertise to design your voyage from day to day, choosing the best options based on the prevailing weather, ice conditions and wildlife opportunities. We generally make landings or Zodiac excursions twice a day. You will want to rug up before joining Zodiac cruises along spectacular ice cliffs or among grounded icebergs, keeping watch for whales, seals and porpoising penguins. Zodiacs will also transport you from the ship to land, where you can visit penguin rookeries, discover historic huts and explore some of our favourite spots along the peninsula. While ashore we aim to stretch our legs,

wandering along pebbly beaches or perhaps up snow-covered ridgelines to vantage points with mountains towering overhead and ice-speckled oceans below. If you have chosen an optional activity, you will have the option to do that whenever conditions allow, and of course keen polar plungers will have the chance to fully immerse themselves in polar waters - conditions permitting! In addition to Zodiac cruises and shore excursions, we may ship cruise some of the narrow, dramatic straits separating offshore islands from the mainland, or linger in scenic bays to watch whales travelling or feeding. Keep an ear out for the creak and deep rumble of glaciers as they carve their way from summit to sea. Take a quiet moment to experience the wonder of this incredible white continent. On board, you will find a range of areas to socialise or relax. We have a number of lounges, including our Glass Atrium Lounge and Observation Lounge. Our wellness centre houses our sauna (with a large window, so you can still enjoy the passing scenery), and offers treatments (book with reception). Across from our wellness centre you will find our gym with a range of equipment for your use. Perhaps you would like to take a dip in one of our jacuzzis on the back deck or enjoy a quiet moment in the library. As part of our deck theming, we hope to educate our expeditioners on the impressive and important conservation work these female scientists are doing across the globe, leading the way in global conservation initiatives. We honour these women who work tirelessly to make the world a better place through their innovation, education and activism. If you are interested in the women who have inspired us, the hallways on each deck will introduce you to a series of influential figures in the fields of oceanography and wildlife conservation, such as Sylvia Earle, former Chief Scientist of the U.S. National Oceanic and Atmospheric Administration; Dr. Carden Wallace AM, Principal Scientist Emeritus at the Queensland Museum; Joanna Ruxton, a pioneer of the plastic-free movement; Sharon Kwok, founder of the AquaMeridian Conservation & Education Foundation; Bernadette Demientieff, an advocate for the rights of the Gwich'in people in Alaska and Canada; Dr. Asha de Vos, an internationally renowned Sri Lankan marine biologist; and Hanli Prinsloo, founder of I AM WATER.

Departure

23/02/2027

Duration King George Island to Punta Arenas

10 Days

Locations Frei Base on King George Island, Punta Arenas

Antarctica Antarctic Peninsula

As we approach Frei Base on King George Island, it is time to farewell Antarctica and Antarctica. This is a short flight (approximately one hour and forty-five minutes) to Punta Arenas, Chile. There is time for reflection and discussion about what we have seen and experienced. We hope you become ambassadors for Antarctica telling your family, friends and colleagues about your journey to this magical place, advocating for its conservation and preservation so that they might one day visit the region to experience what you have been lucky to see and do here. From Punta Arenas airport, you will be transferred to our group hotel for an overnight stay. Note: King George Island is located at the northern tip of the Antarctic Peninsula in the South Shetland Islands and is one of the most remote places on Earth. A clear sky with perfect visibility is required for safe take-off and landing. We apologise in advance for any possible delays.

DAY 10: Depart Punta Arenas

After breakfast, bid a fond farewell to your fellow travellers as we continue our onward journeys, hopefully with a newfound sense of the immense power of nature (breakfast included). A transfer to the airport is included in the voyage fare. Note: Should your flight not proceed due to local conditions; you will remain on the ship until it is deemed achievable to return to Punta Arenas. Refer to our terms and conditions for further details. *Please note: Cruise itinerary is subject to change depending on weather conditions, ice conditions and other factors.

Inclusions & Details

Accommodation

Hotel & Cabin on board a ship

Antarctica - Antarctic Women's Expedition: Fly the Drake | Sylvia Earle

Trip Code

ACAEAWEX

Departure

23/02/2027

Duration

10 Days

Locations

Antarctica, Antarctic Peninsula

Inclusions

All airport transfers mentioned in the itinerary

Two night's hotel accommodation including breakfast, in Punta Arenas on Day 1 and Day 9
