Departure

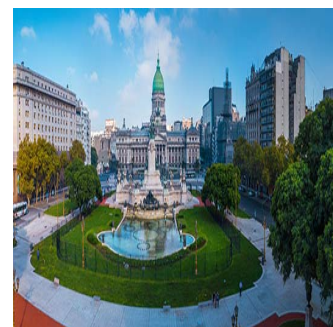

Introduction

Experience the thrill of crossing the 800-km Drake Passage on a 10-day Antarctic expedition, departing from Ushuaia, Argentina. On the journey, you may encounter whales, penguins, and ice floes as you head toward the Antarctic Peninsula. Traveling by sea one way and flying the other offers the best of both worlds. While the vast silence of this wilderness is awe-inspiring, the lively wildlife and your fellow travellers provide a sense of connection. You'll gain a deeper appreciation for Antarctica's extremes, from its rugged mountains to its fragile ecosystems and large penguin colonies.

Itinerary

DAY 1: Arrive Buenos Aires, Argentina

Upon arrival in Buenos Aires, make your way to the included group hotel, which is part of your Charter Flight & Hotel Package. After an early breakfast the following morning, your group will transfer to the airport and board our private charter flight to Ushuaia, Argentina, the southernmost city in the world.

Locations common reaction upon reaching

Antarctica, Antarctic Peninsula

The 7th continent is a sense of reverence and awe. The experience is beyond words, since few places are as untouched as Antarctica. You will begin to appreciate why this region has long captivated the attention of explorers and travelers alike. Every time we visit Antarctica, we witness something new or unexpected, which means that your expedition will be unlike any other—creating a unique, personal experience.

Each day, you will take Zodiac excursions from the ship to explore glaciated bays, channels and landing sites. Your Expedition Team will take care of you at each landing, whether you are hiking the Antarctic landscape, visiting a research station or observing chinstrap, Adélie and gentoo penguins, all of which can be found here.

Keep an eye out for Weddell, fur, crabeater and leopard seals as well as curious whales, such as humpbacks, minkes, or perhaps orcas while on a Zodiac cruise. Each excursion will present a new array of creatures to fascinate you and keep your camera busy. Amid the serene silence of Antarctica, noisy interludes become indelible memories, such as penguins squabbling over prized pebbles, or the boom and crack of a calving glacier. Every day will be different, having been carefully crafted by your Expedition Team to inspire and educate you about this wonderful part of the world.

DAY 9: Disembarkation & Fly to Punta Arenas

With only the Drake Passage ahead, you'll disembark on King George Island before flying to Punta Arenas, Chile. Once you're in Punta Arenas, we'll transfer you from the airport to your hotel, where you're free to explore and enjoy a final dinner on your own, before your homeward journey.
