Day 3: Cromwell Point & Post Office Bay

Duration

4 Days
Start your expedition northwards to

Cromwell Point, renowned for its

Ecuador & Galapagos Islands.
Expansive coastal lagoons teeming with

American flamingos, white-cheeked pintails,
black-necked stilts, and other shorebirds.

This natural haven also features a pristine
white sand beach, a crucial nesting ground
for green sea turtles, and a newly
established breeding ground for blue-footed

boobies near the trail. Amidst this vibrant
wildlife, also take the opportunity to admire

the island's unique flora. This locale is
imbued with tales from the late 1920s and
'30s involving German settlers, a baroness,

unsolved mysteries, and captivating
intrigue. The bay was a historic anchoring

point for whalers, who journeyed to the
highlands for freshwater and tortoises. A

mail system over two centuries old was
established as a hub for visiting vessels
centered around a barrel near the beach.

This system endures today, offering a
unique opportunity to send postcards from
this remote part of the world. Apart from its
rich history, Post Office Bay presents

natural attractions such as a scenic beach, a
lava tunnel, and sea tours that can unveil
sea lions, green sea turtles, shorebirds,

small sharks, and, if luck permits,

Galapagos penguins.
