DAY 1: Arrive Nuuk

Arrive in Nuuk, Greenland's vibrant capital, where ancient stone meets modern rhythm. Set at the mouth of a vast fjord, the city's colourful houses climb the hillsides against a backdrop of rugged peaks. Contemporary art, lively cafés, and a strong sense of community give Nuuk an energy that feels both cosmopolitan and deeply rooted in place. Visit the Greenland National Museum to meet the Qilakitsoq mummies—silent witnesses to lives once lived along this coast. Then wander through the old harbour, where sea air mingles with roasted coffee and the scent of salt and wood. Here, history and daily life flow together, revealing a city that looks both forward and back.

DAY 2: Nuup Kangerlua

Sail into the immense Nuup Kangerlua, where mountains veiled in mist rise from glacial water. The ship weaves between islands and ice, each turn revealing new light and texture. Watch for seals and seabirds while your expedition team shares stories of geology, glaciation, and change. The day drifts by in a quiet rhythm of movement, reflection, and wonder.

wake. The crossing is a time to listen—to

voices, to water, to wind.

DAY 4: Kimmirut

Kimmirut, meaning “the heel,” lies where

marble cliffs meet the sea. Here, art and

land intertwine—ivory carvings, jewelry,

and stonework shaped by generations of

artists. Walk among blooming tundra and

feel the marble stone underfoot, luminous

against the Arctic light. In this small

community, every creation tells a story of

place.

DAY 5: Kinngait

In Kinngait, creativity fills the air. Visit the

historic West Baffin Eskimo Co-operative,

birthplace of Inuit printmaking, and meet

the artists whose hands shape visions from

stone and ink. The hum of carving tools, the

scent of paper and pigment—every detail

speaks of tradition evolving with each
